

*This year's "Oaks Corners Classic"
is dedicated in memory of*

Dennis Crouch

"Crouchie"

Both on and off the golf course, Dennis Crouch was a true gentleman. His courtesy, smile, humor and laugh made "Crouchie" an embraced influence in any place he was.

Dennis was a perennial player in our golf tournament, among countless other events at Big Oak and other area courses. He became one of our tournament's "go-to" guys for suggestions, tips and ideas to develop our event and to help the entire event run smoothly. Dennis assisted us in figuring out "skins" prizes and provided guidance in the development of our tiebreaker system, among other aspects.

Even through his battle with pancreatic cancer, Dennis would find any way he could to be out on the golf course, whether he was physically able to play or not. In any case, his presence made players and visitors of Big Oak feel like they've been "life-long" friends. He has undeniably left his legacy for the love of the outdoors, and the game of golf, with countless people in the Phelps area.

It is with great pride and honor that the Oaks Corners Volunteer Fire Company dedicates the 19th Annual "Oaks Corners Classic" to a genuine friend to us, and many others... Dennis Crouch.
